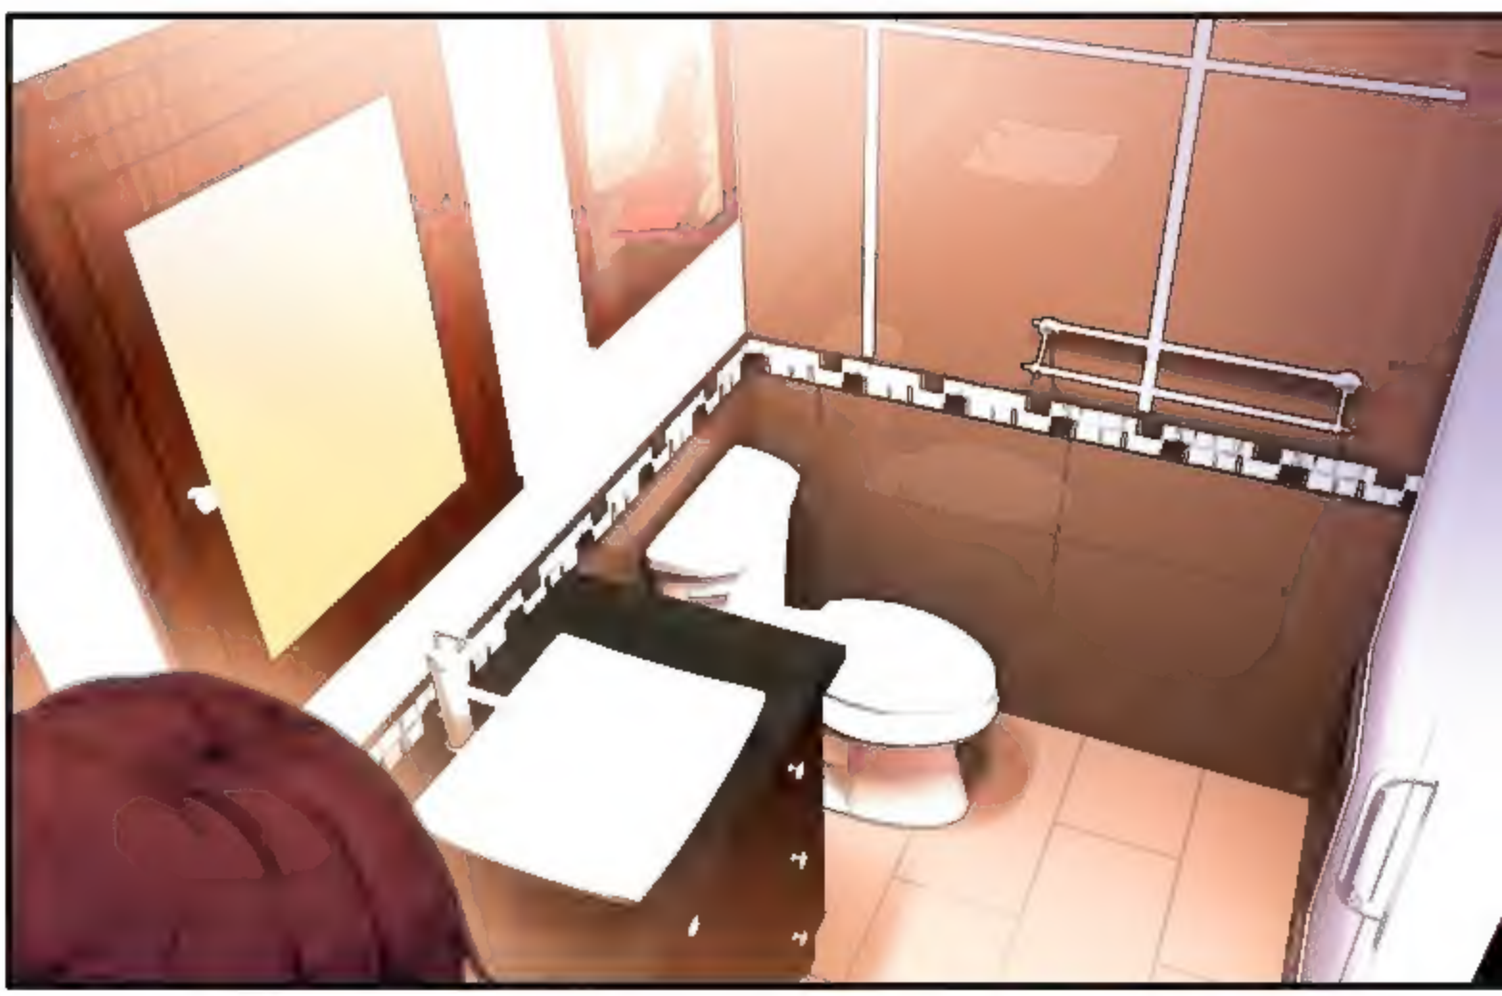
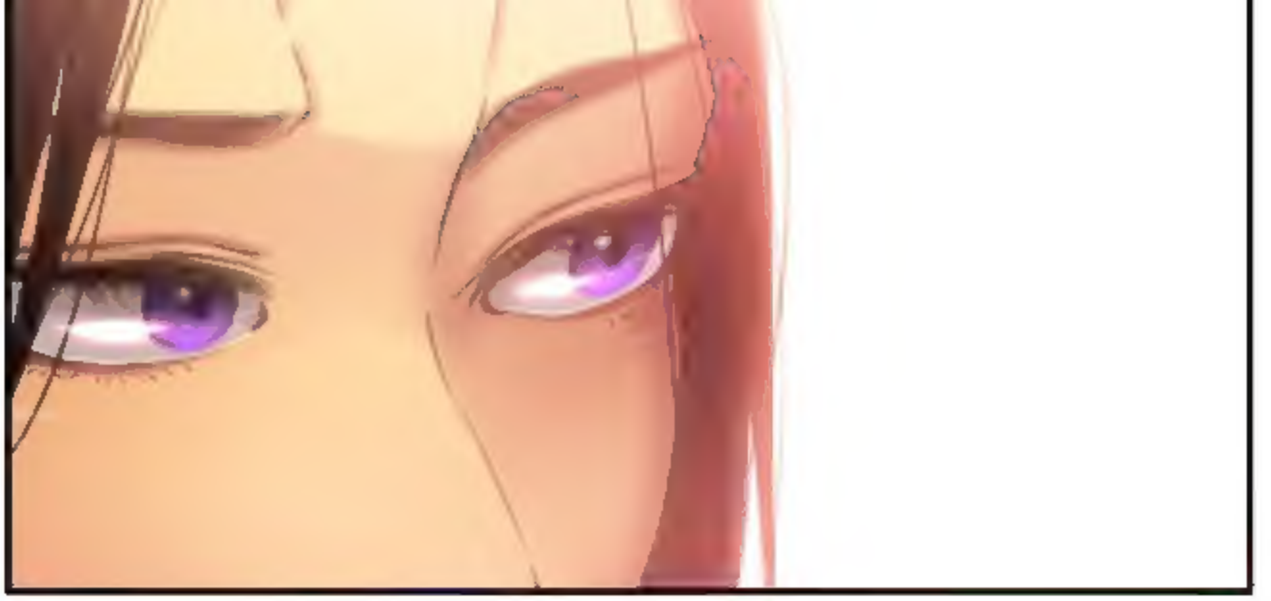
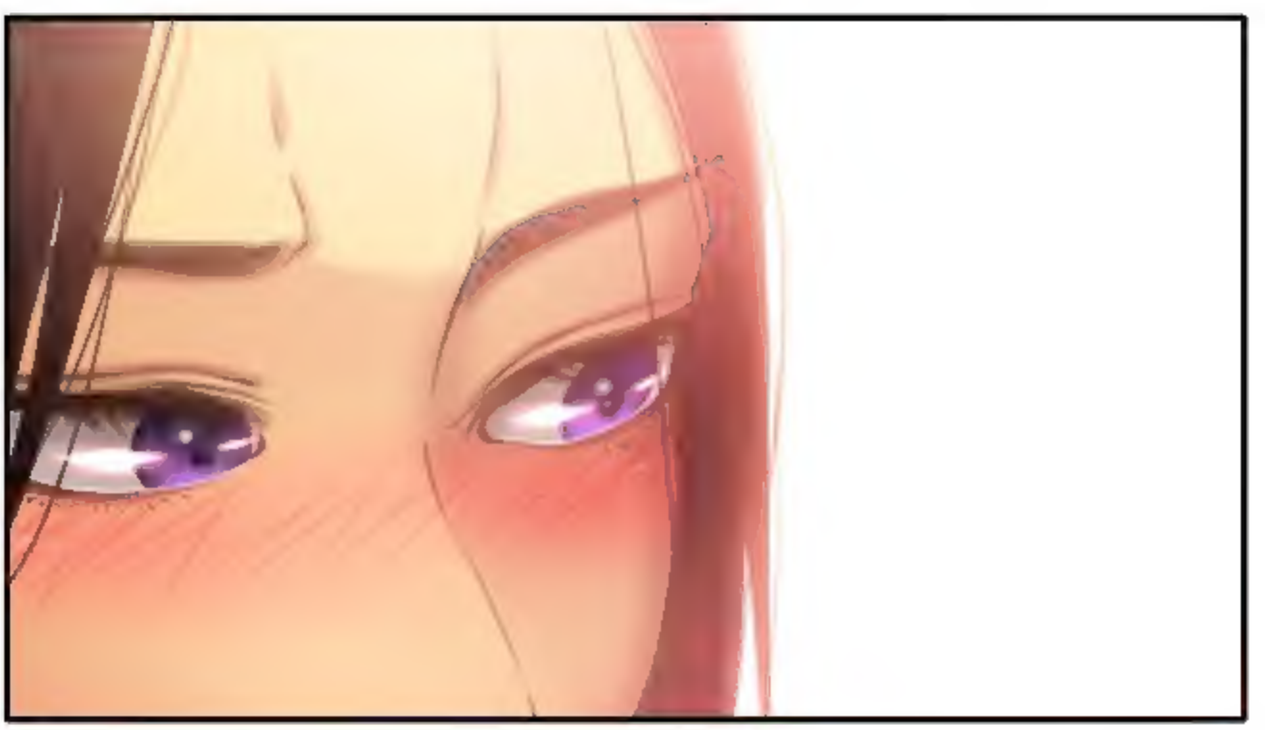
Zen Hospital 10: 30 P.M.

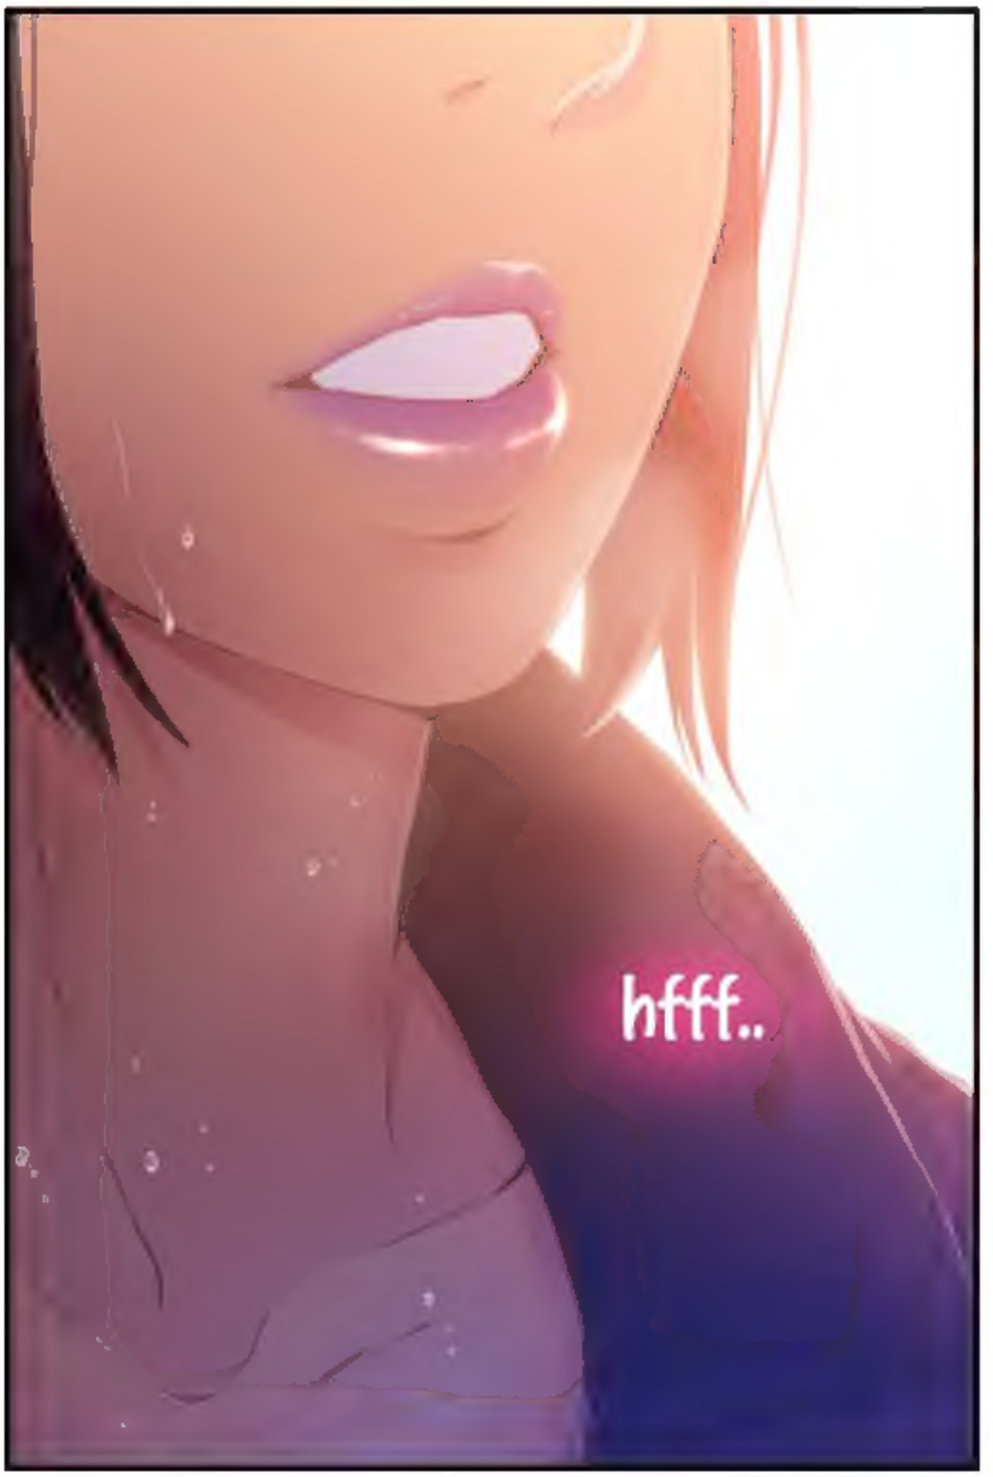


No doubt about it.
The girl I saw that night... was her.



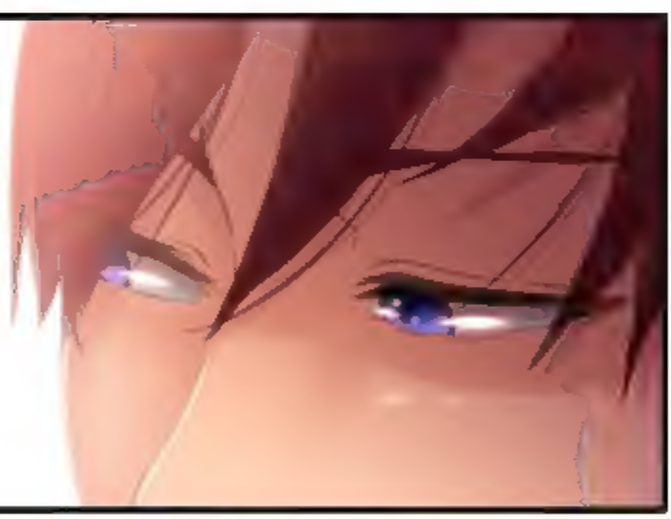


CK

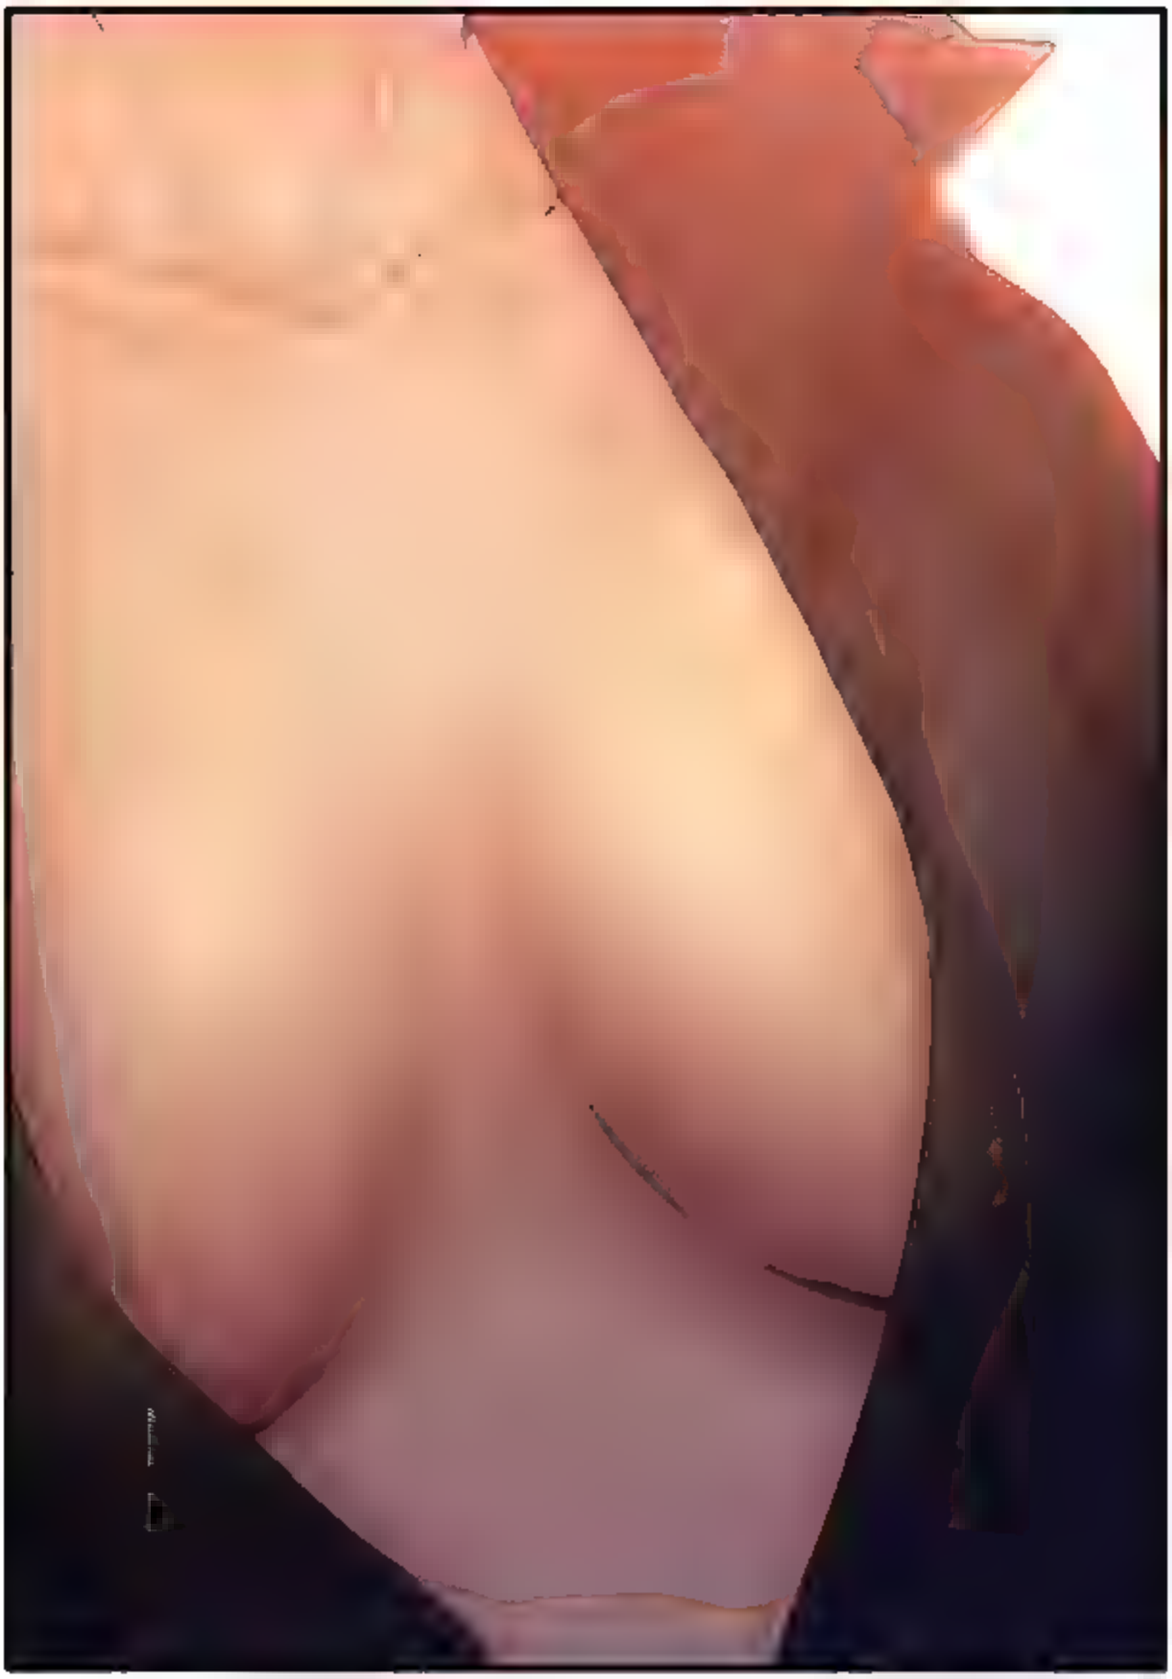


hfff..

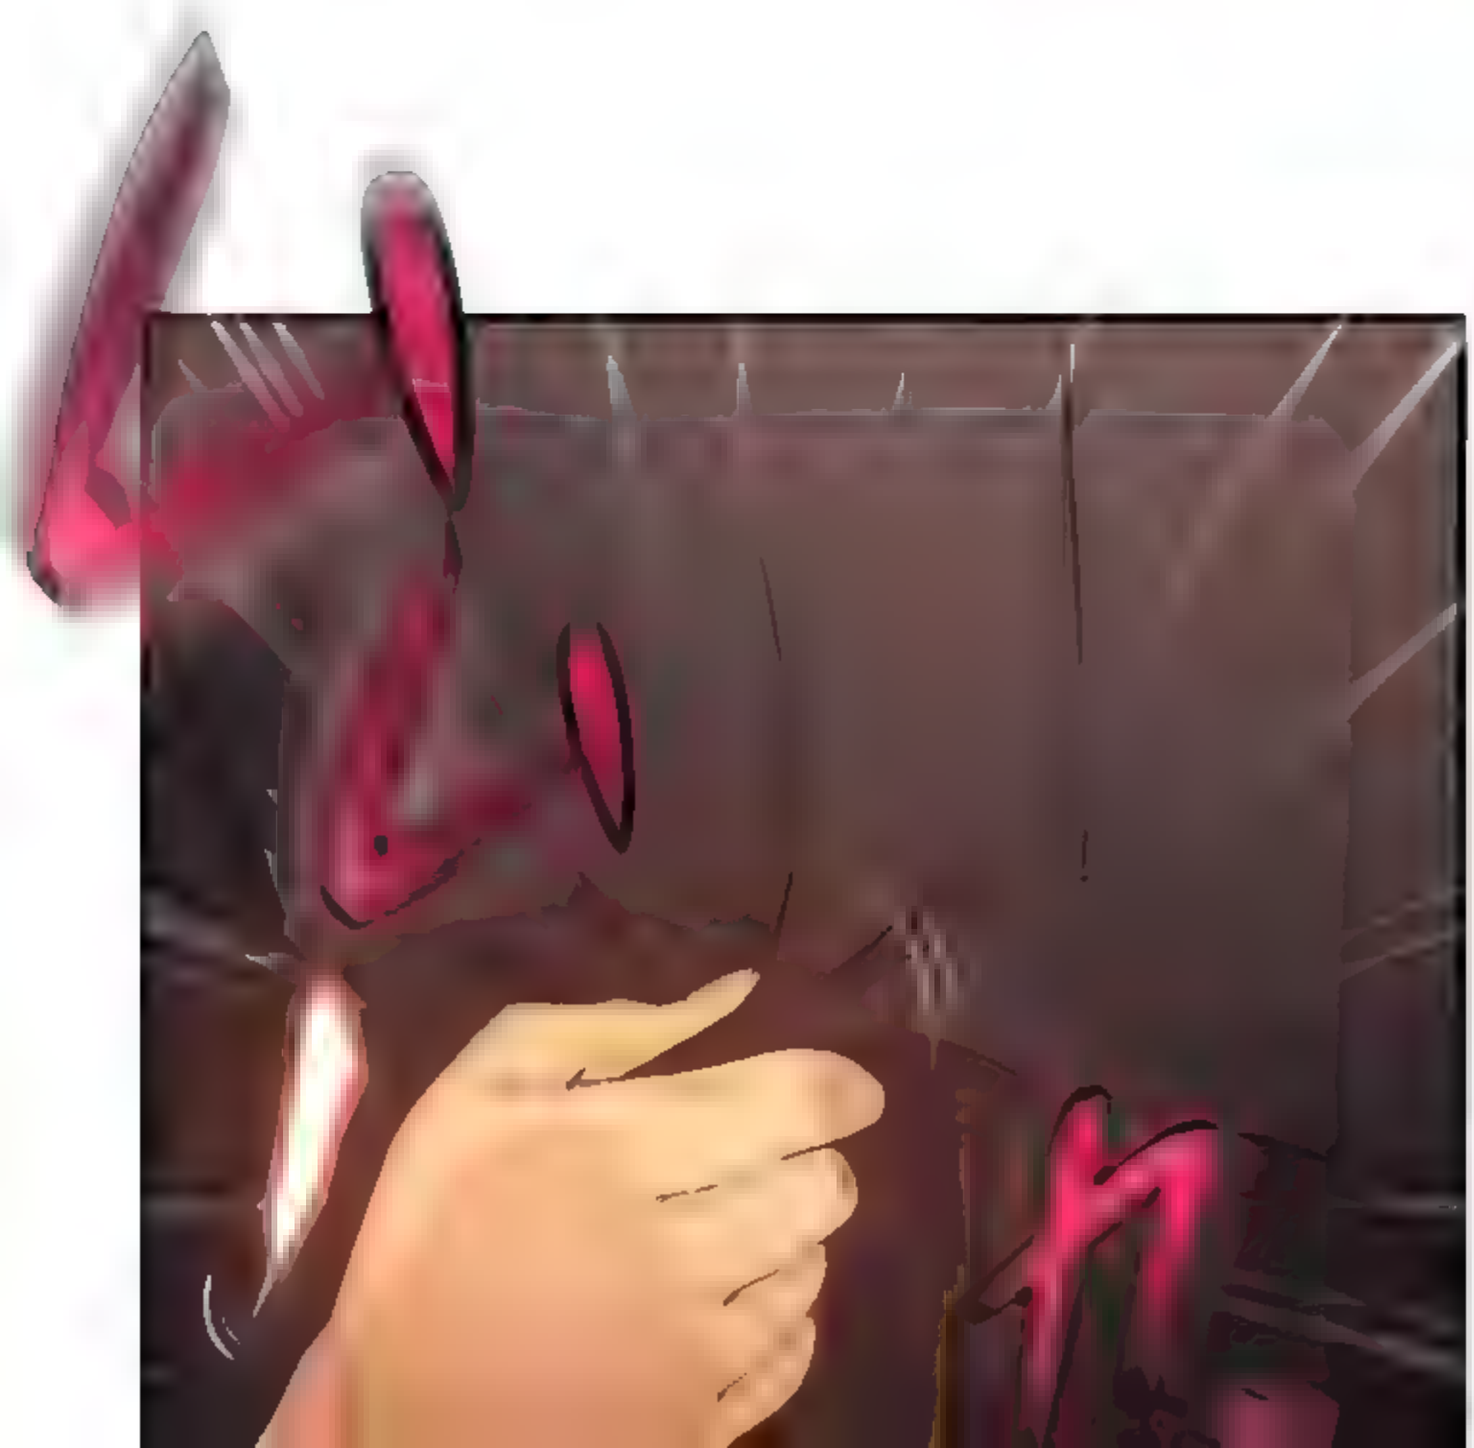
Man..

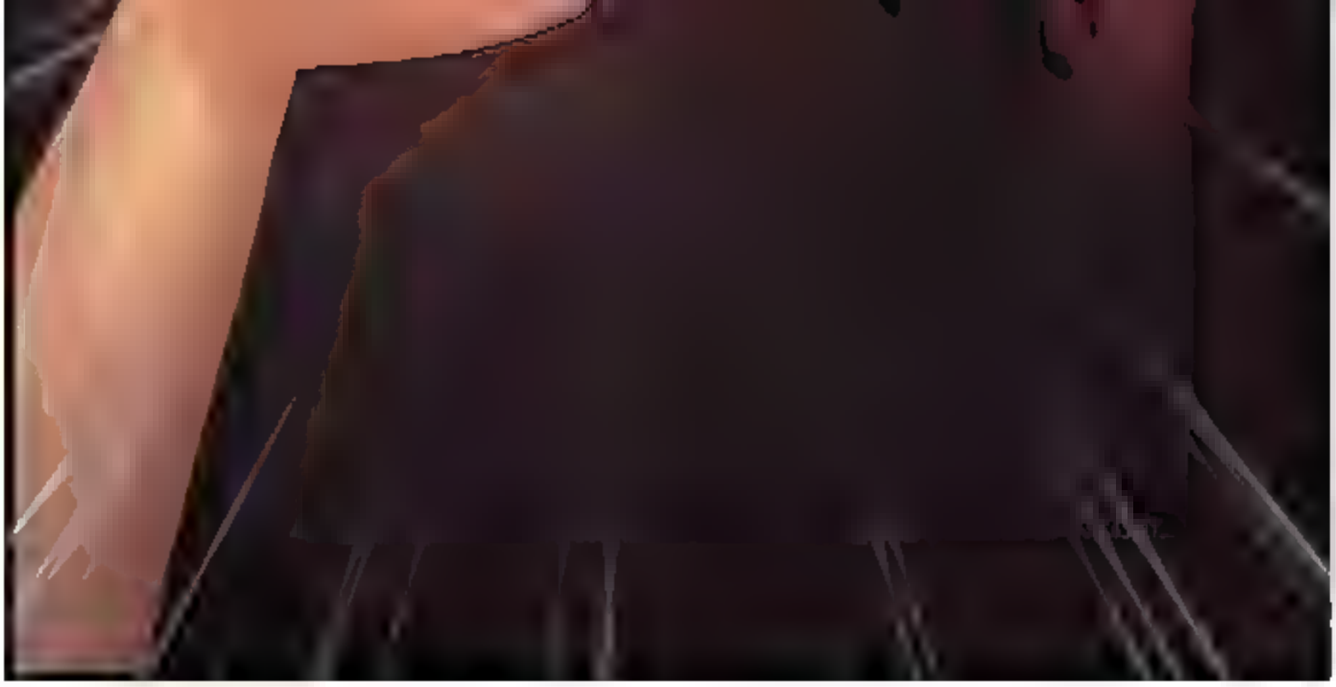


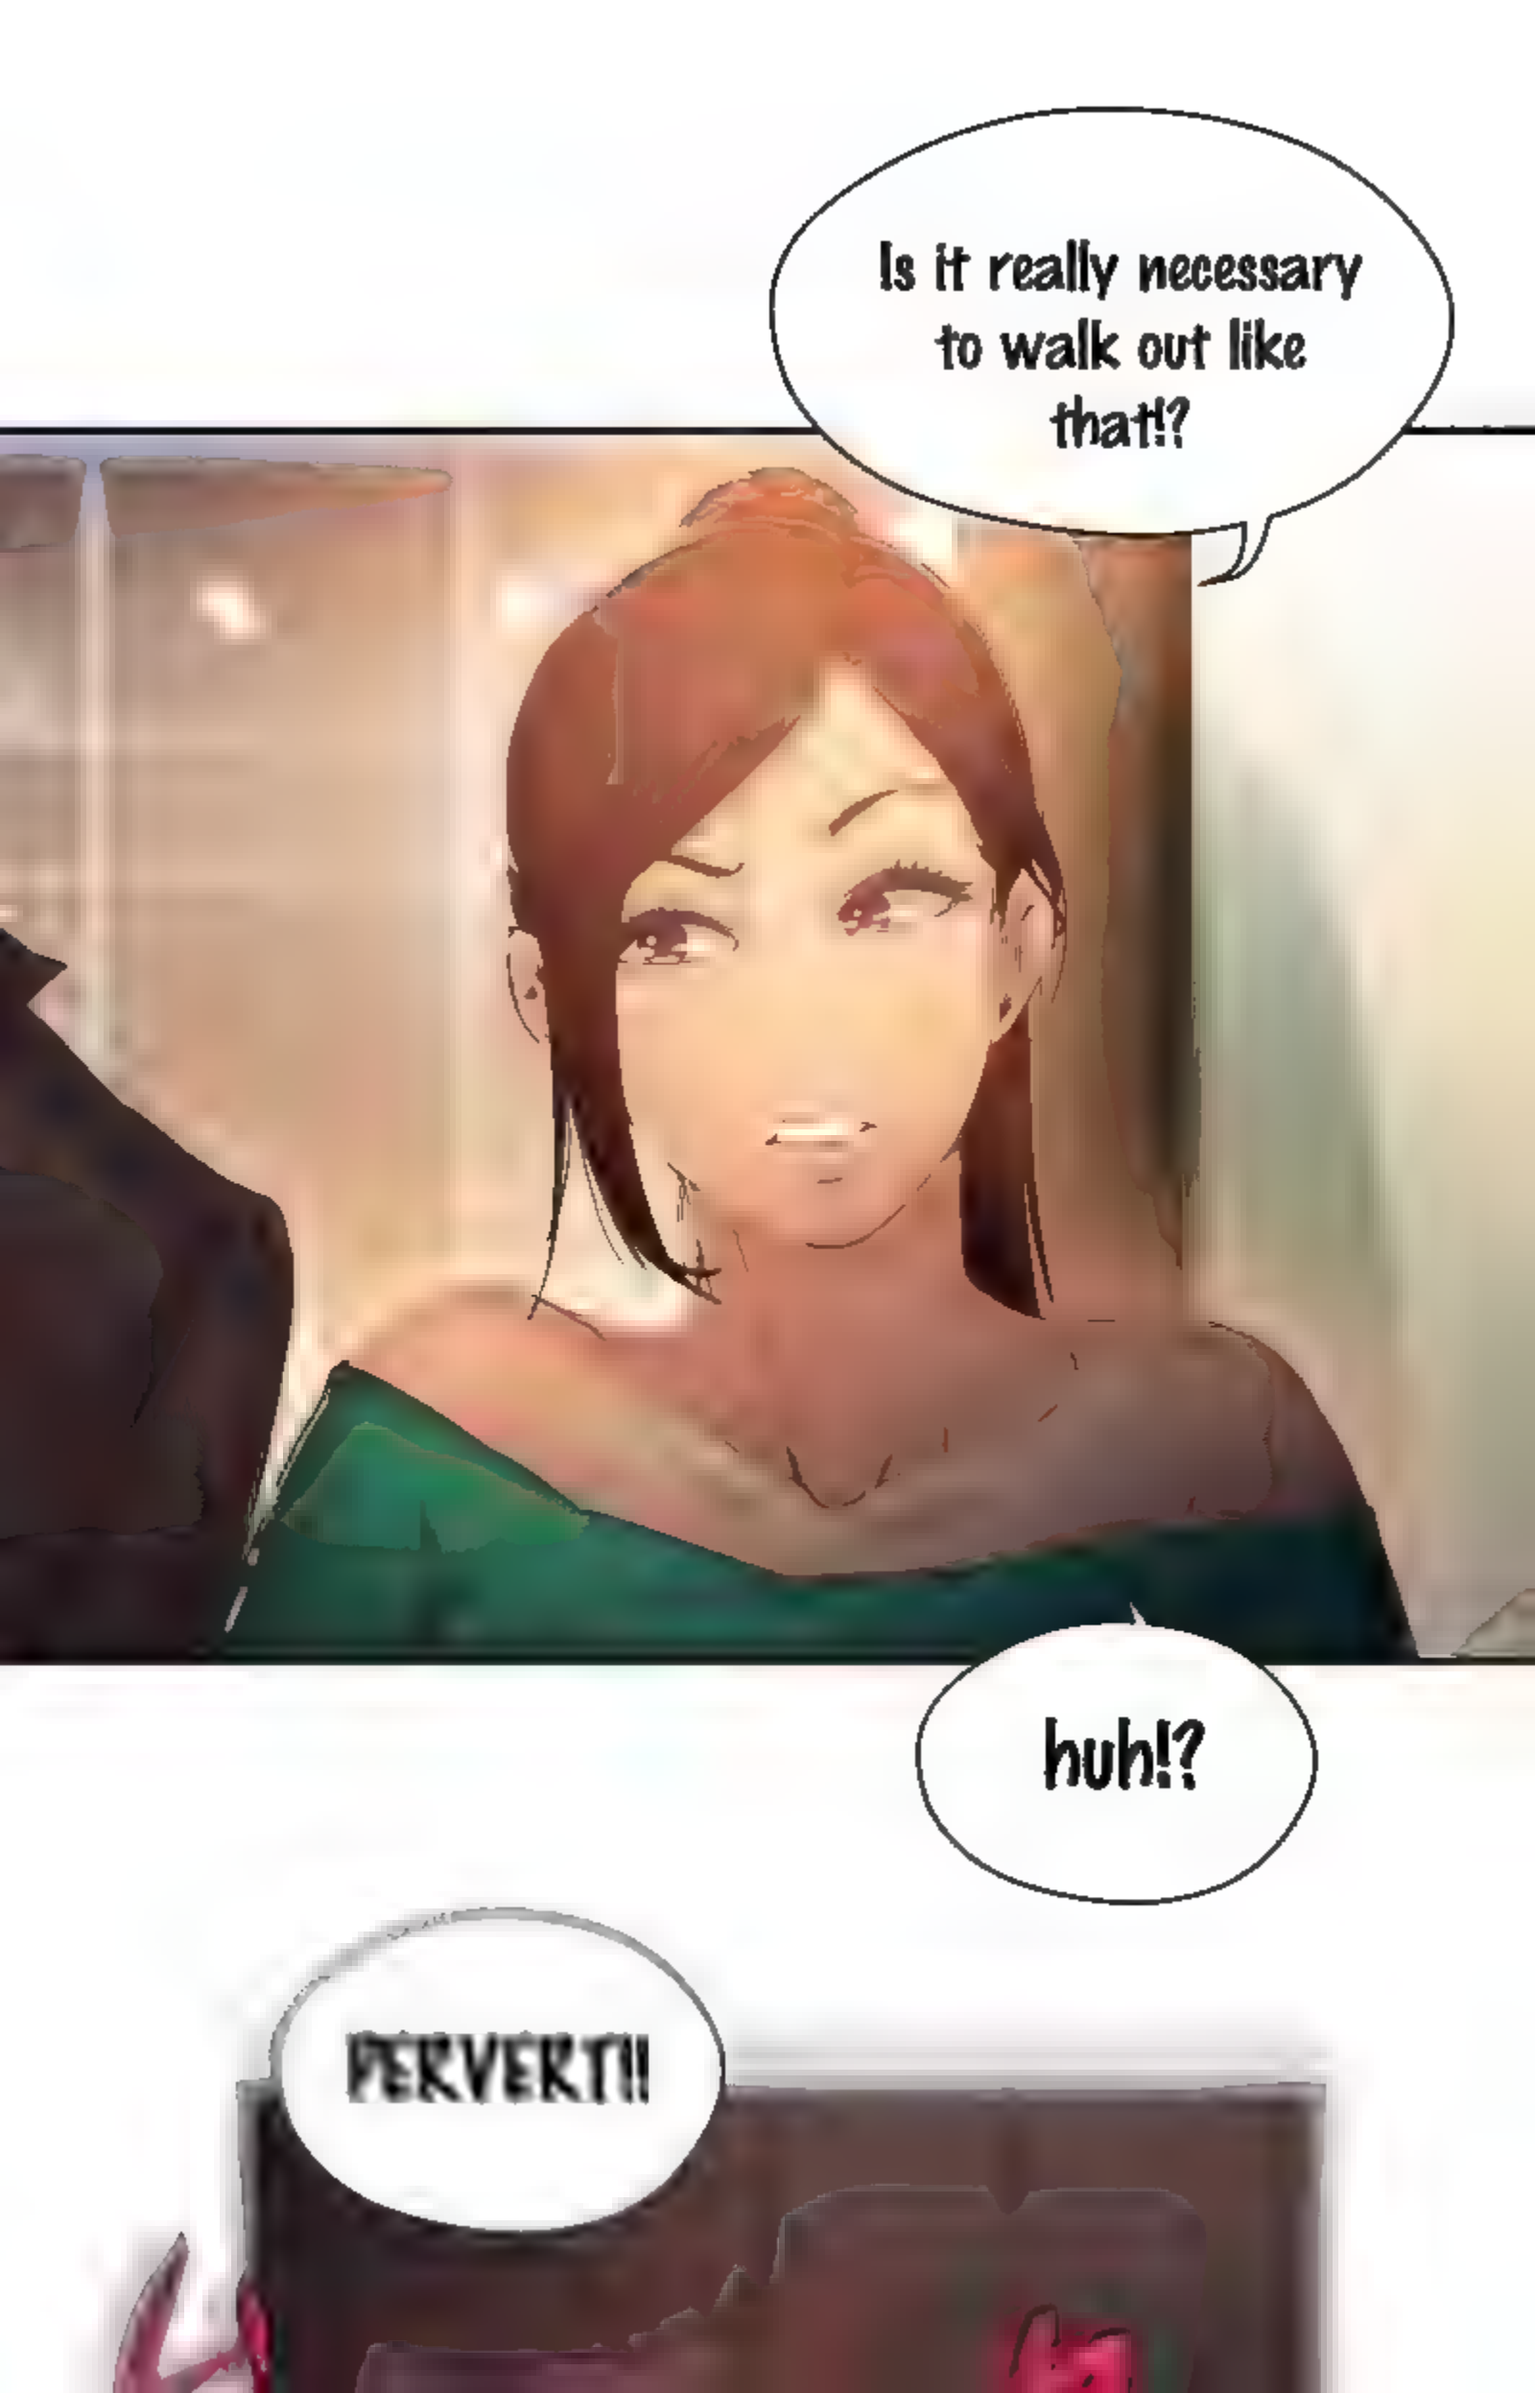
Talk-about-dumplings..



Fffhhh:!
This is going to be fun!







Is it really necessary to walk out like that!?
huh!?
PERVERT!!

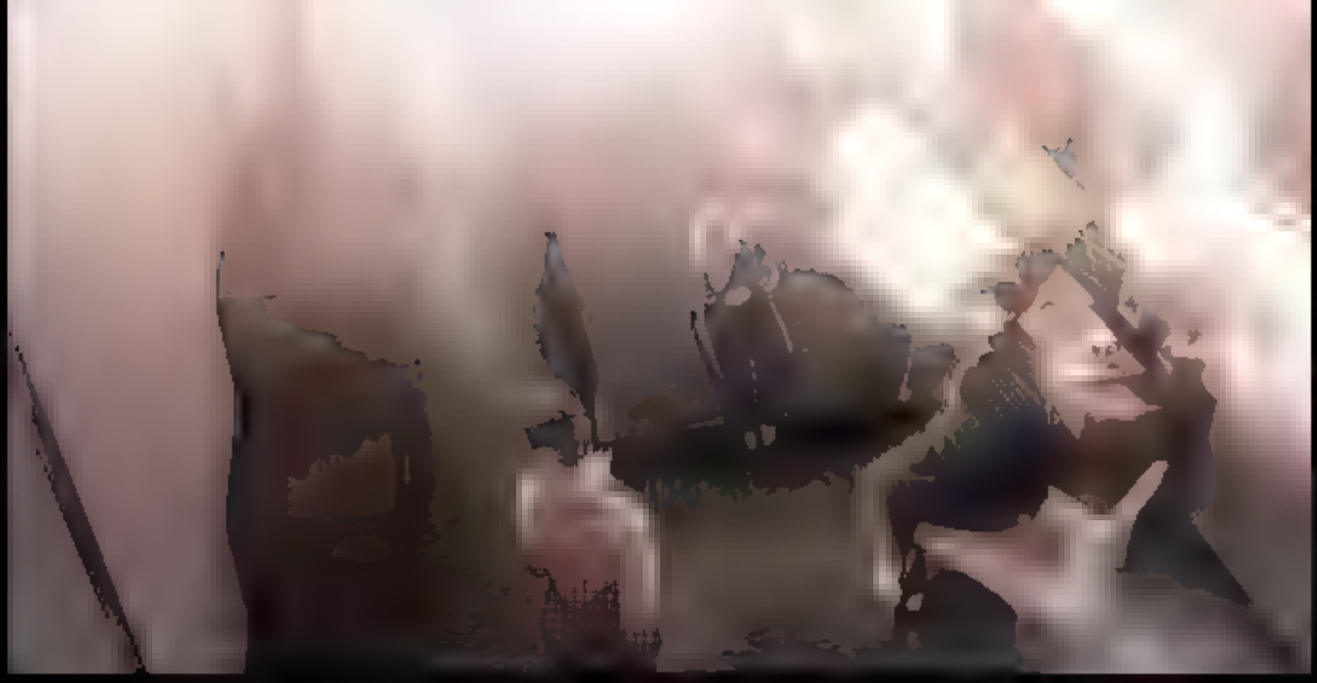
Is everything alright?
Mm!

We're just fine.
Right, Axel?

Axel? So he's the guy.

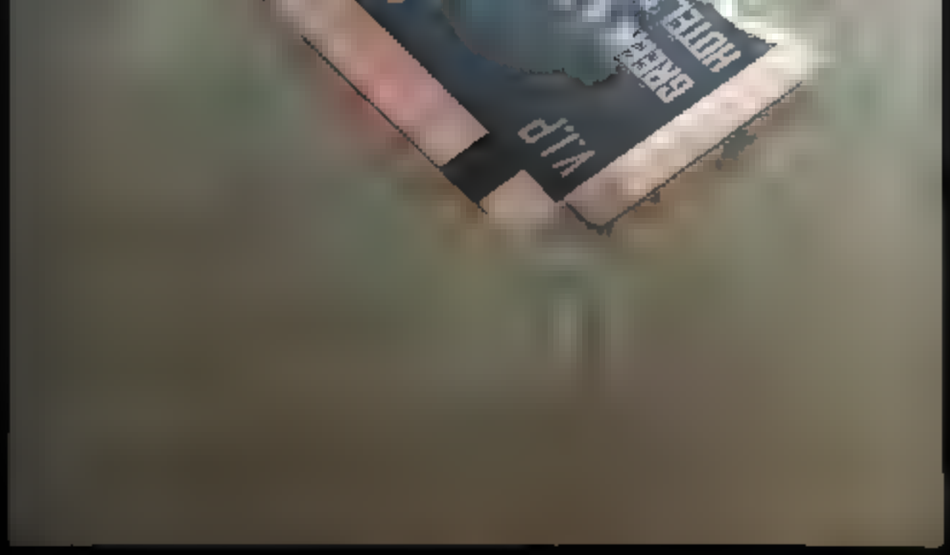
I must be imagining things.
They look similar but I am certain
Nathaniel is gone.

What bothers me is Nathan's strange actions.



He never got along with Grandfather in the past.
I wonder what happened when I was gone.

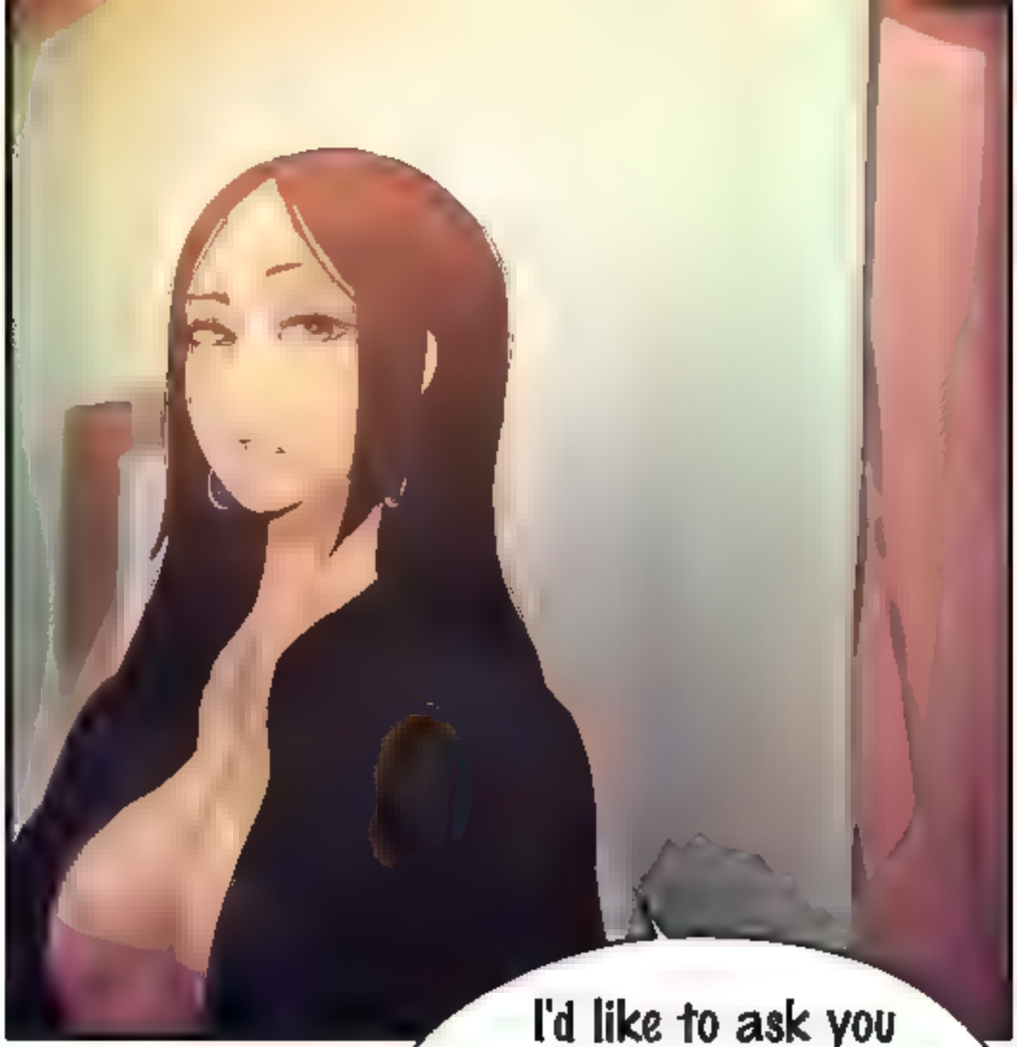
And the trust he have for this guy...



Something's not right here.

Koizumi Axel, was it?

Did you know Nathan bet the Greene & Co. Hotel Suites for you?



I'd like to ask you some few more questions. Let's talk in private, shall we?

W-w-wait..

Nathan did what? What's this all about?

In the upcoming Tokyo Sports Fest Uncle wants to showcase talented Tennis players. I get to pick my own players but if I lose, I will grant his team sponsorship
If Uncle's team loses, I will own the title of the Green & Co. Hotel Suites. Didn't he tell you

about this?

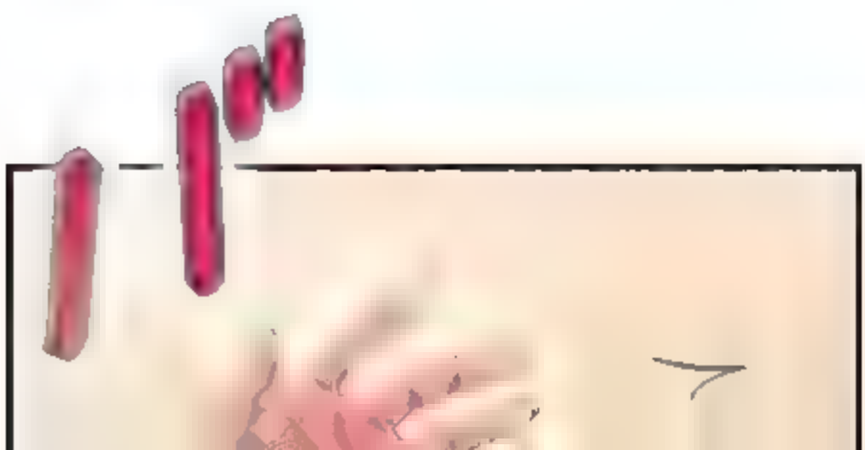
Ohh~~
He must have forgotten.

He is a very busy man after all.

That was supposed to be confidential!
SUMIRE~~~~!!

Sumire!

We had an agreement.
I have to talk with the kid first!



You will talk to no one.

Once I confirm
you are plotting something
behind my back, you will regret it.
Do you understand?

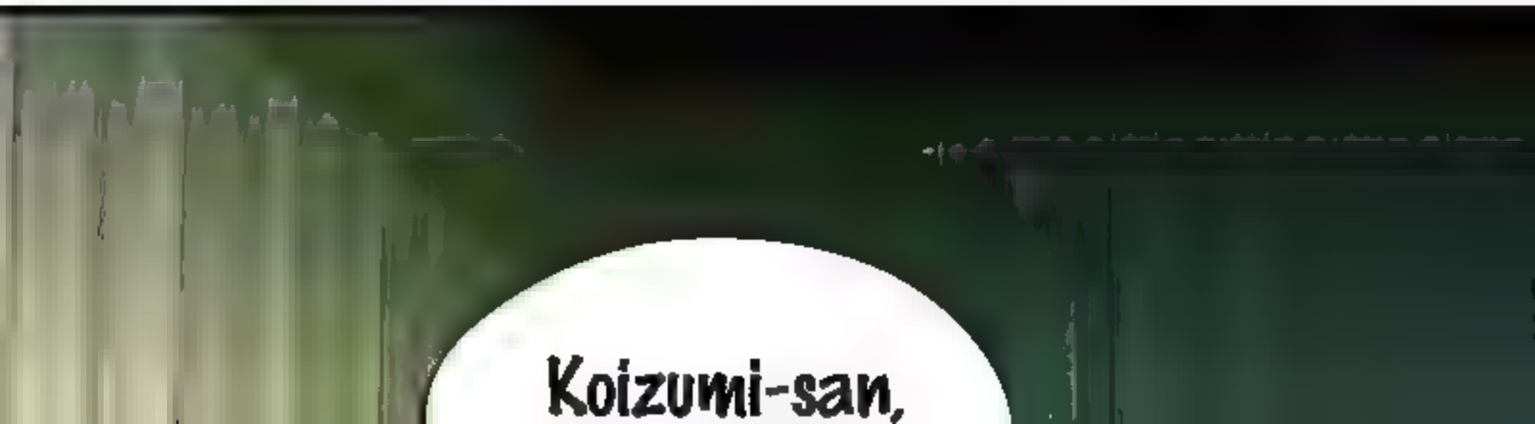
Koizumi-san,
shall we?
Don't worry.
I will pay for your
stay in the hotel
after we talk.

Yeah.
Sounds good
to me.
Hotel!?
What's with
the Hotel!?

Damn it. I can't stop shaking.
AXEL!
You promised you will stay for the night!
Are you listening?

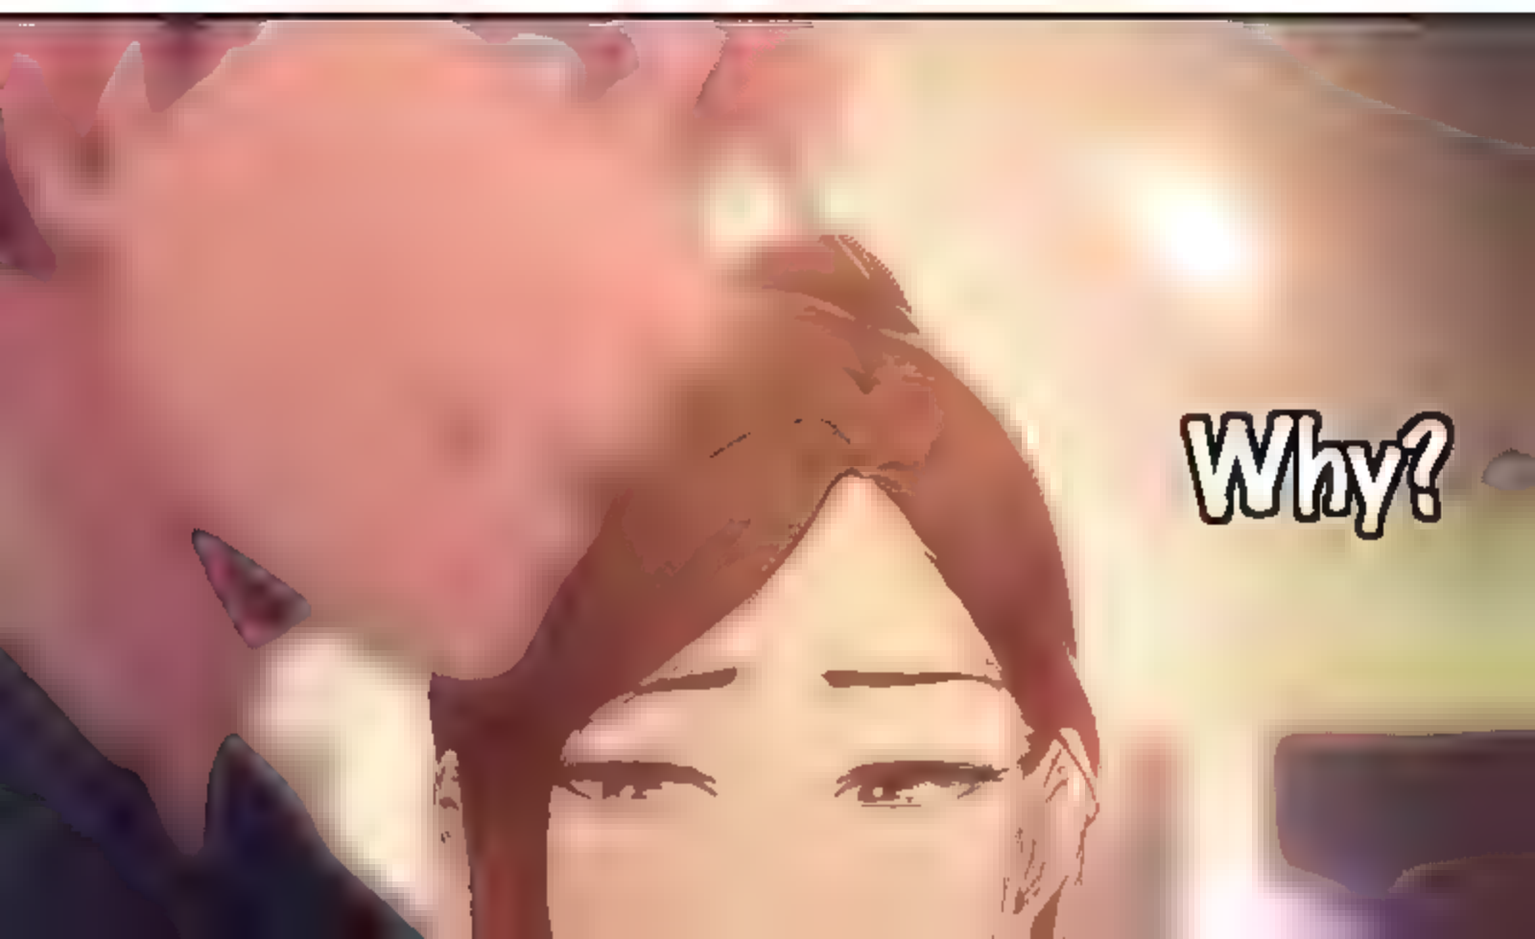
Please keep watch on Anya for me. Call me if you need something, okay?

Sure.
Want me to drive you there?
No.
We're fine.

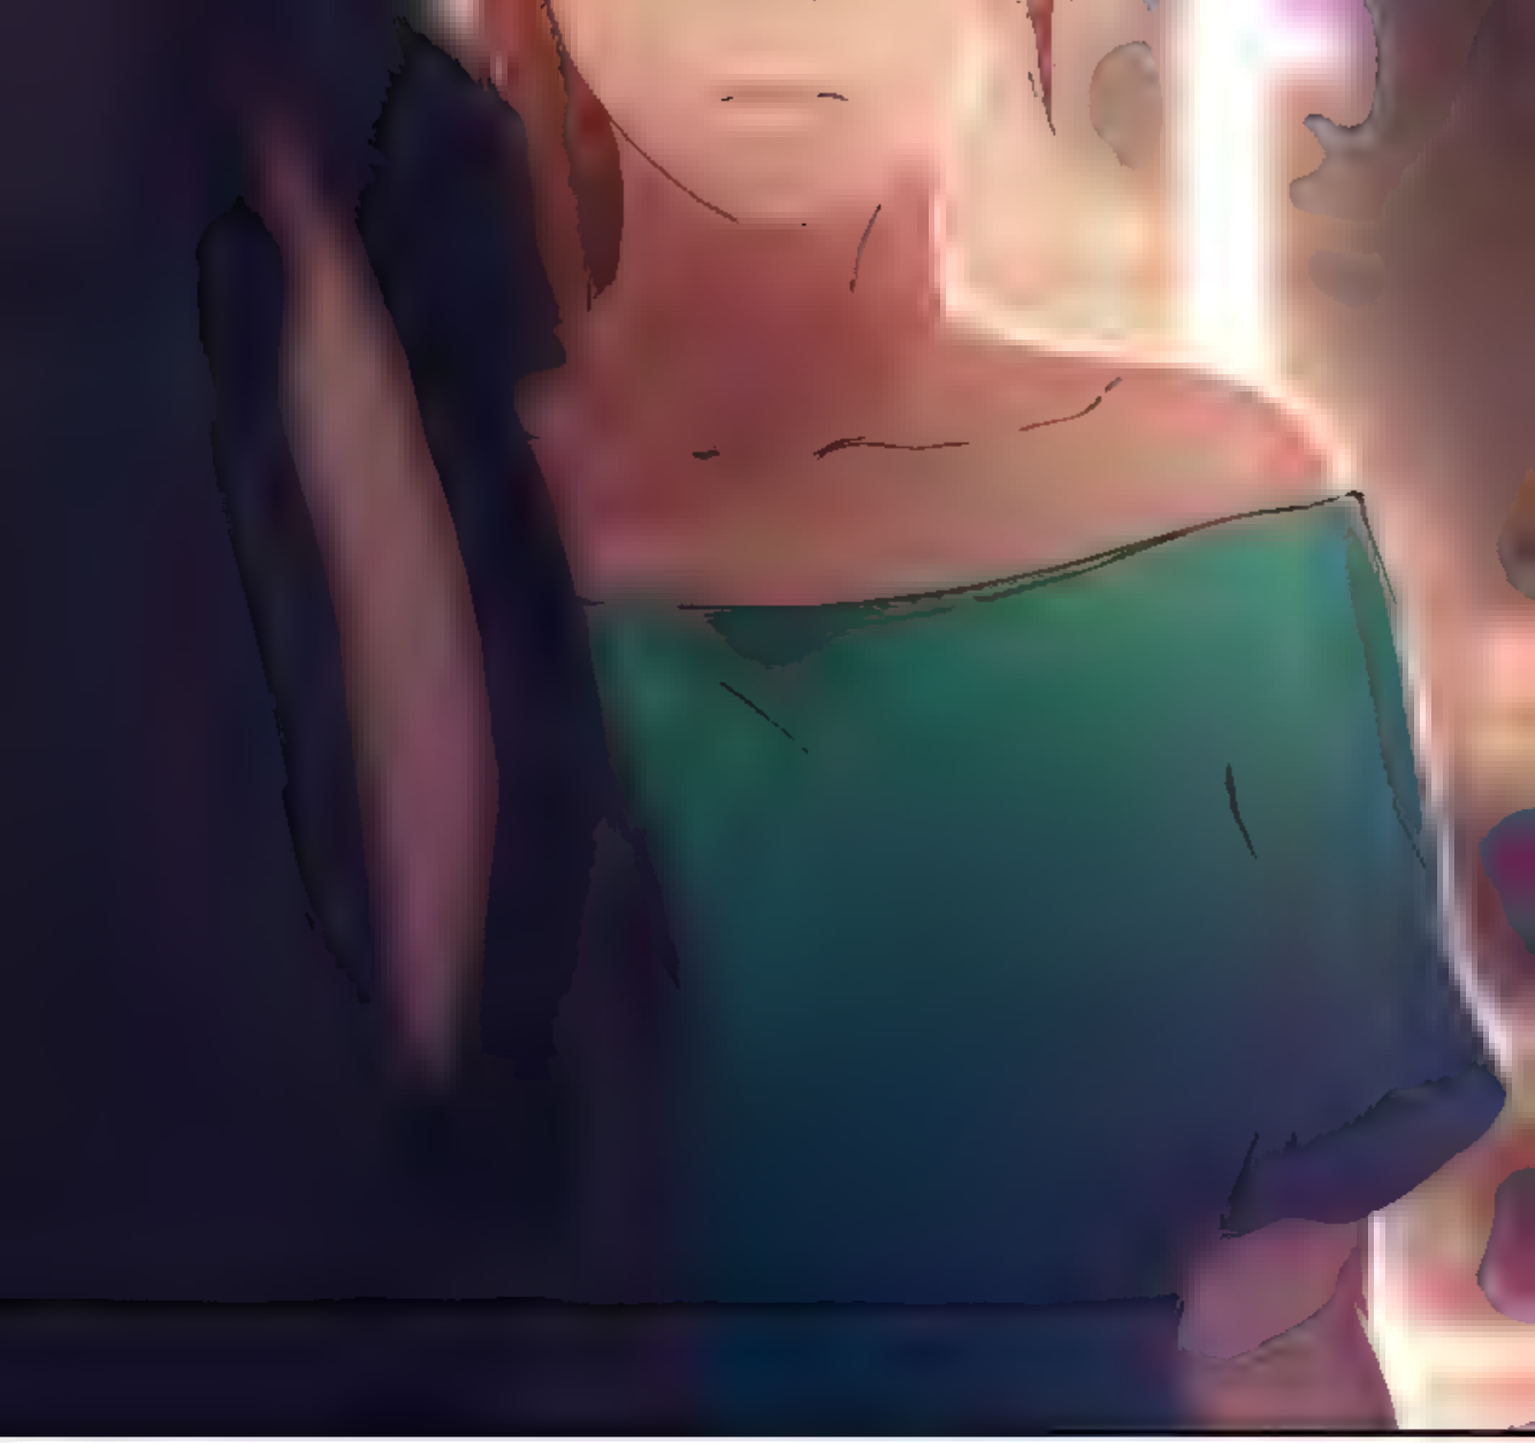


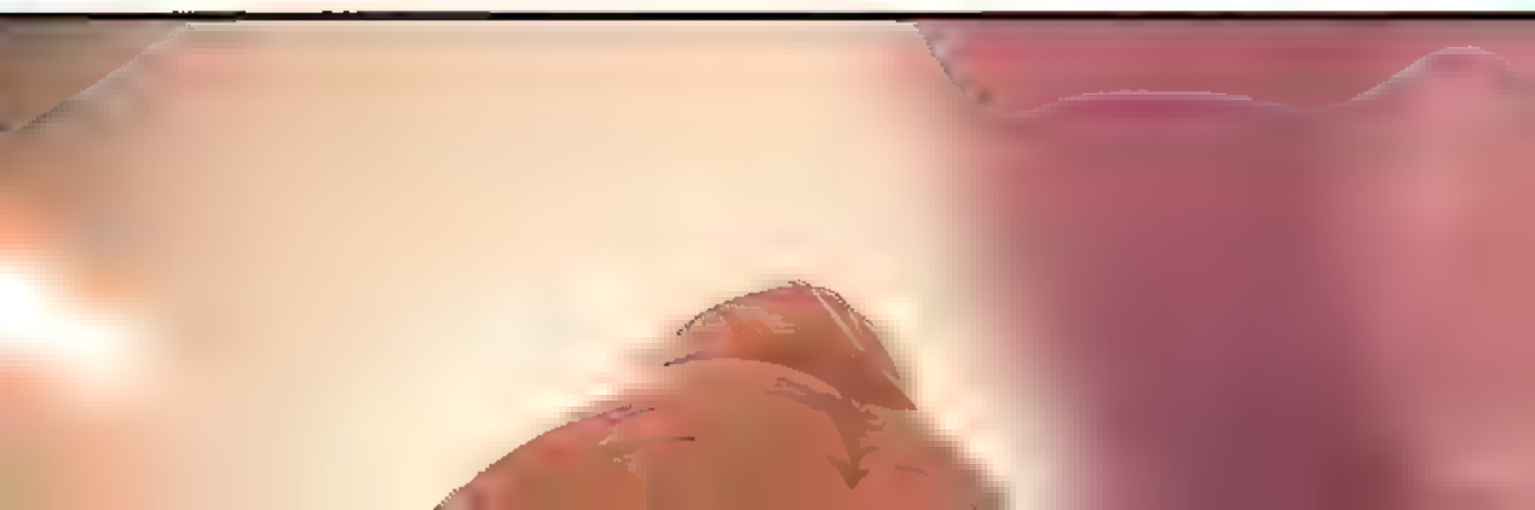
Koizumi-san,

we are leaving.



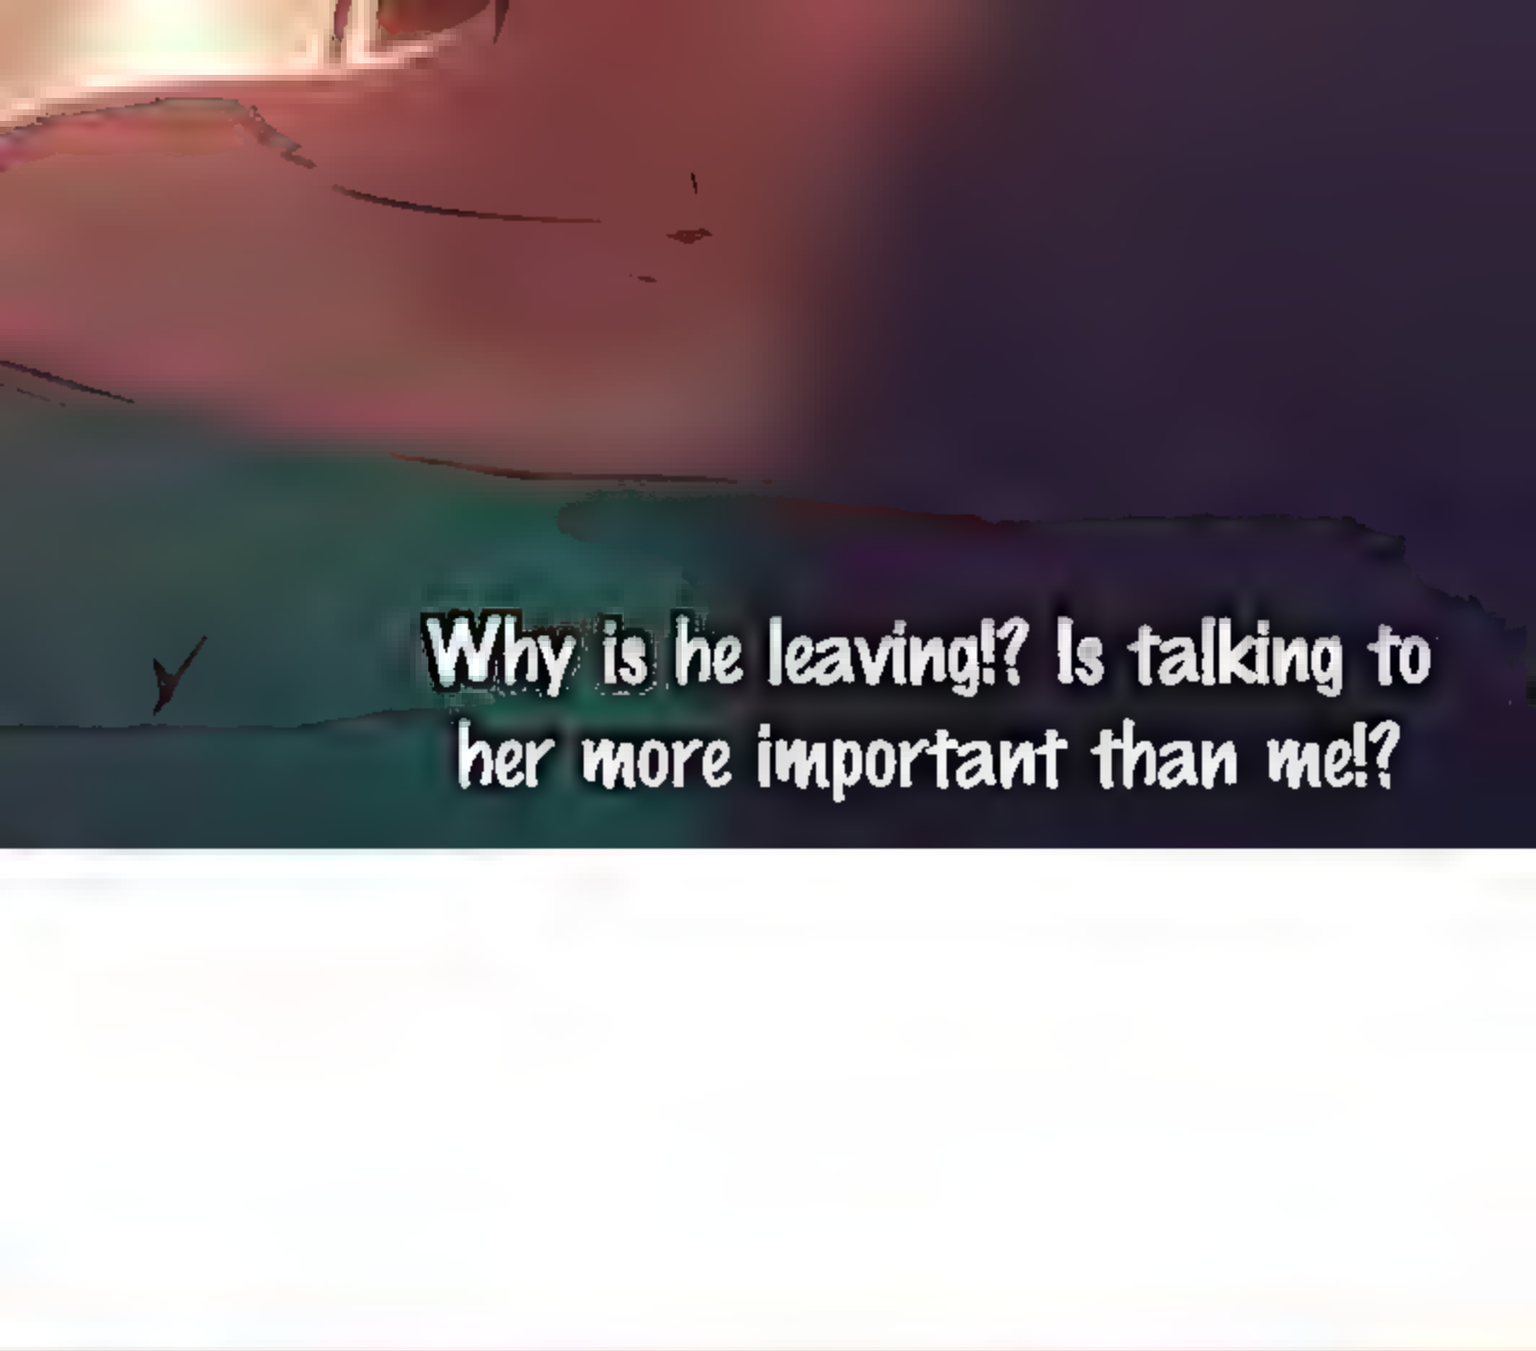
Why?





Why
can't he look at me
that way?

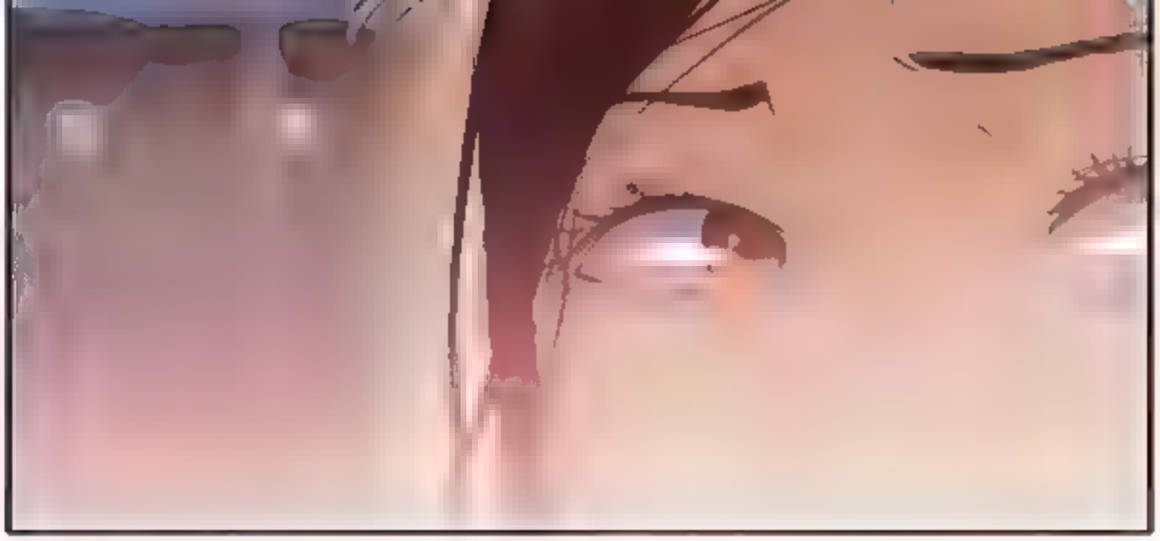
I am hurt. He's supposed to stay by my side.

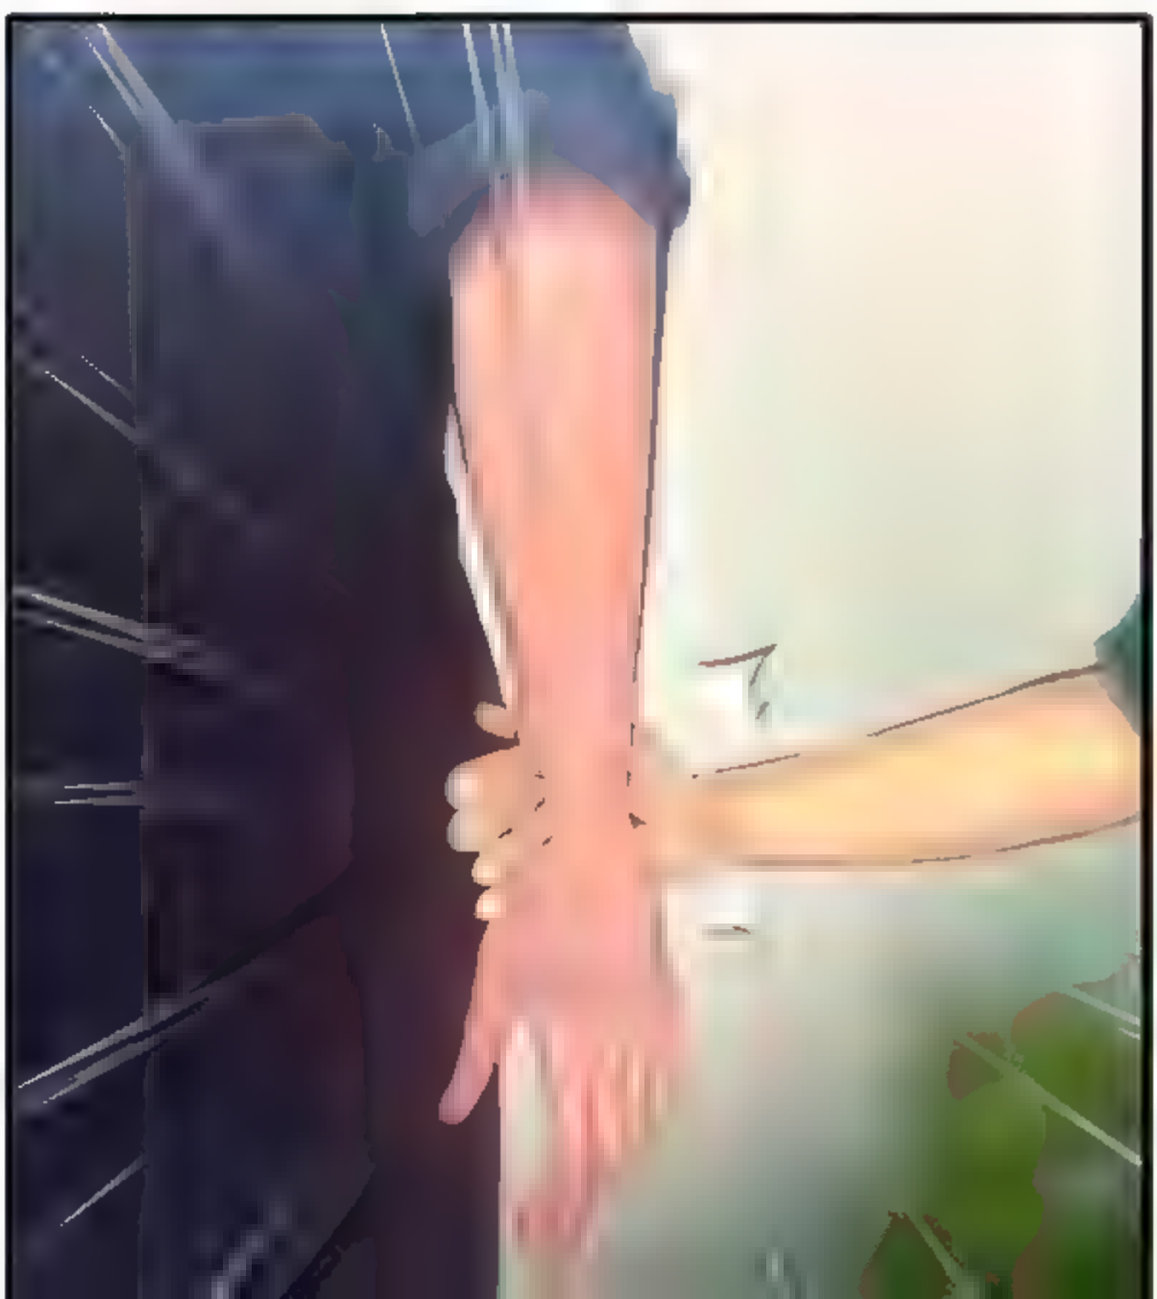


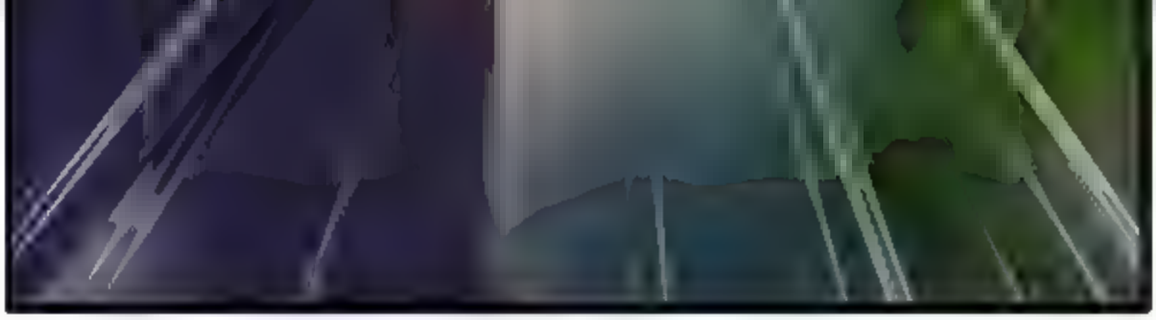
Why is he leaving!? Is talking to her more important than me!?

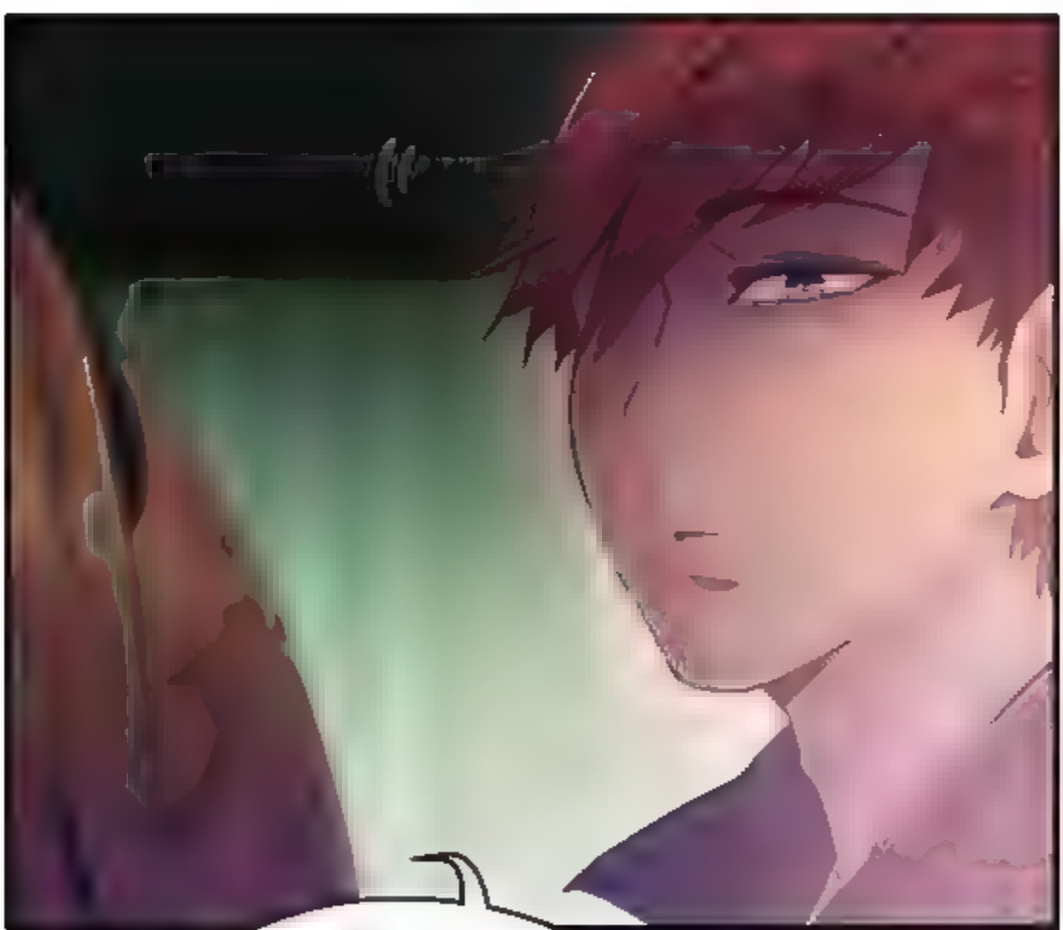
Am I not good enough!?

No..
You can't do this to me, Axel.



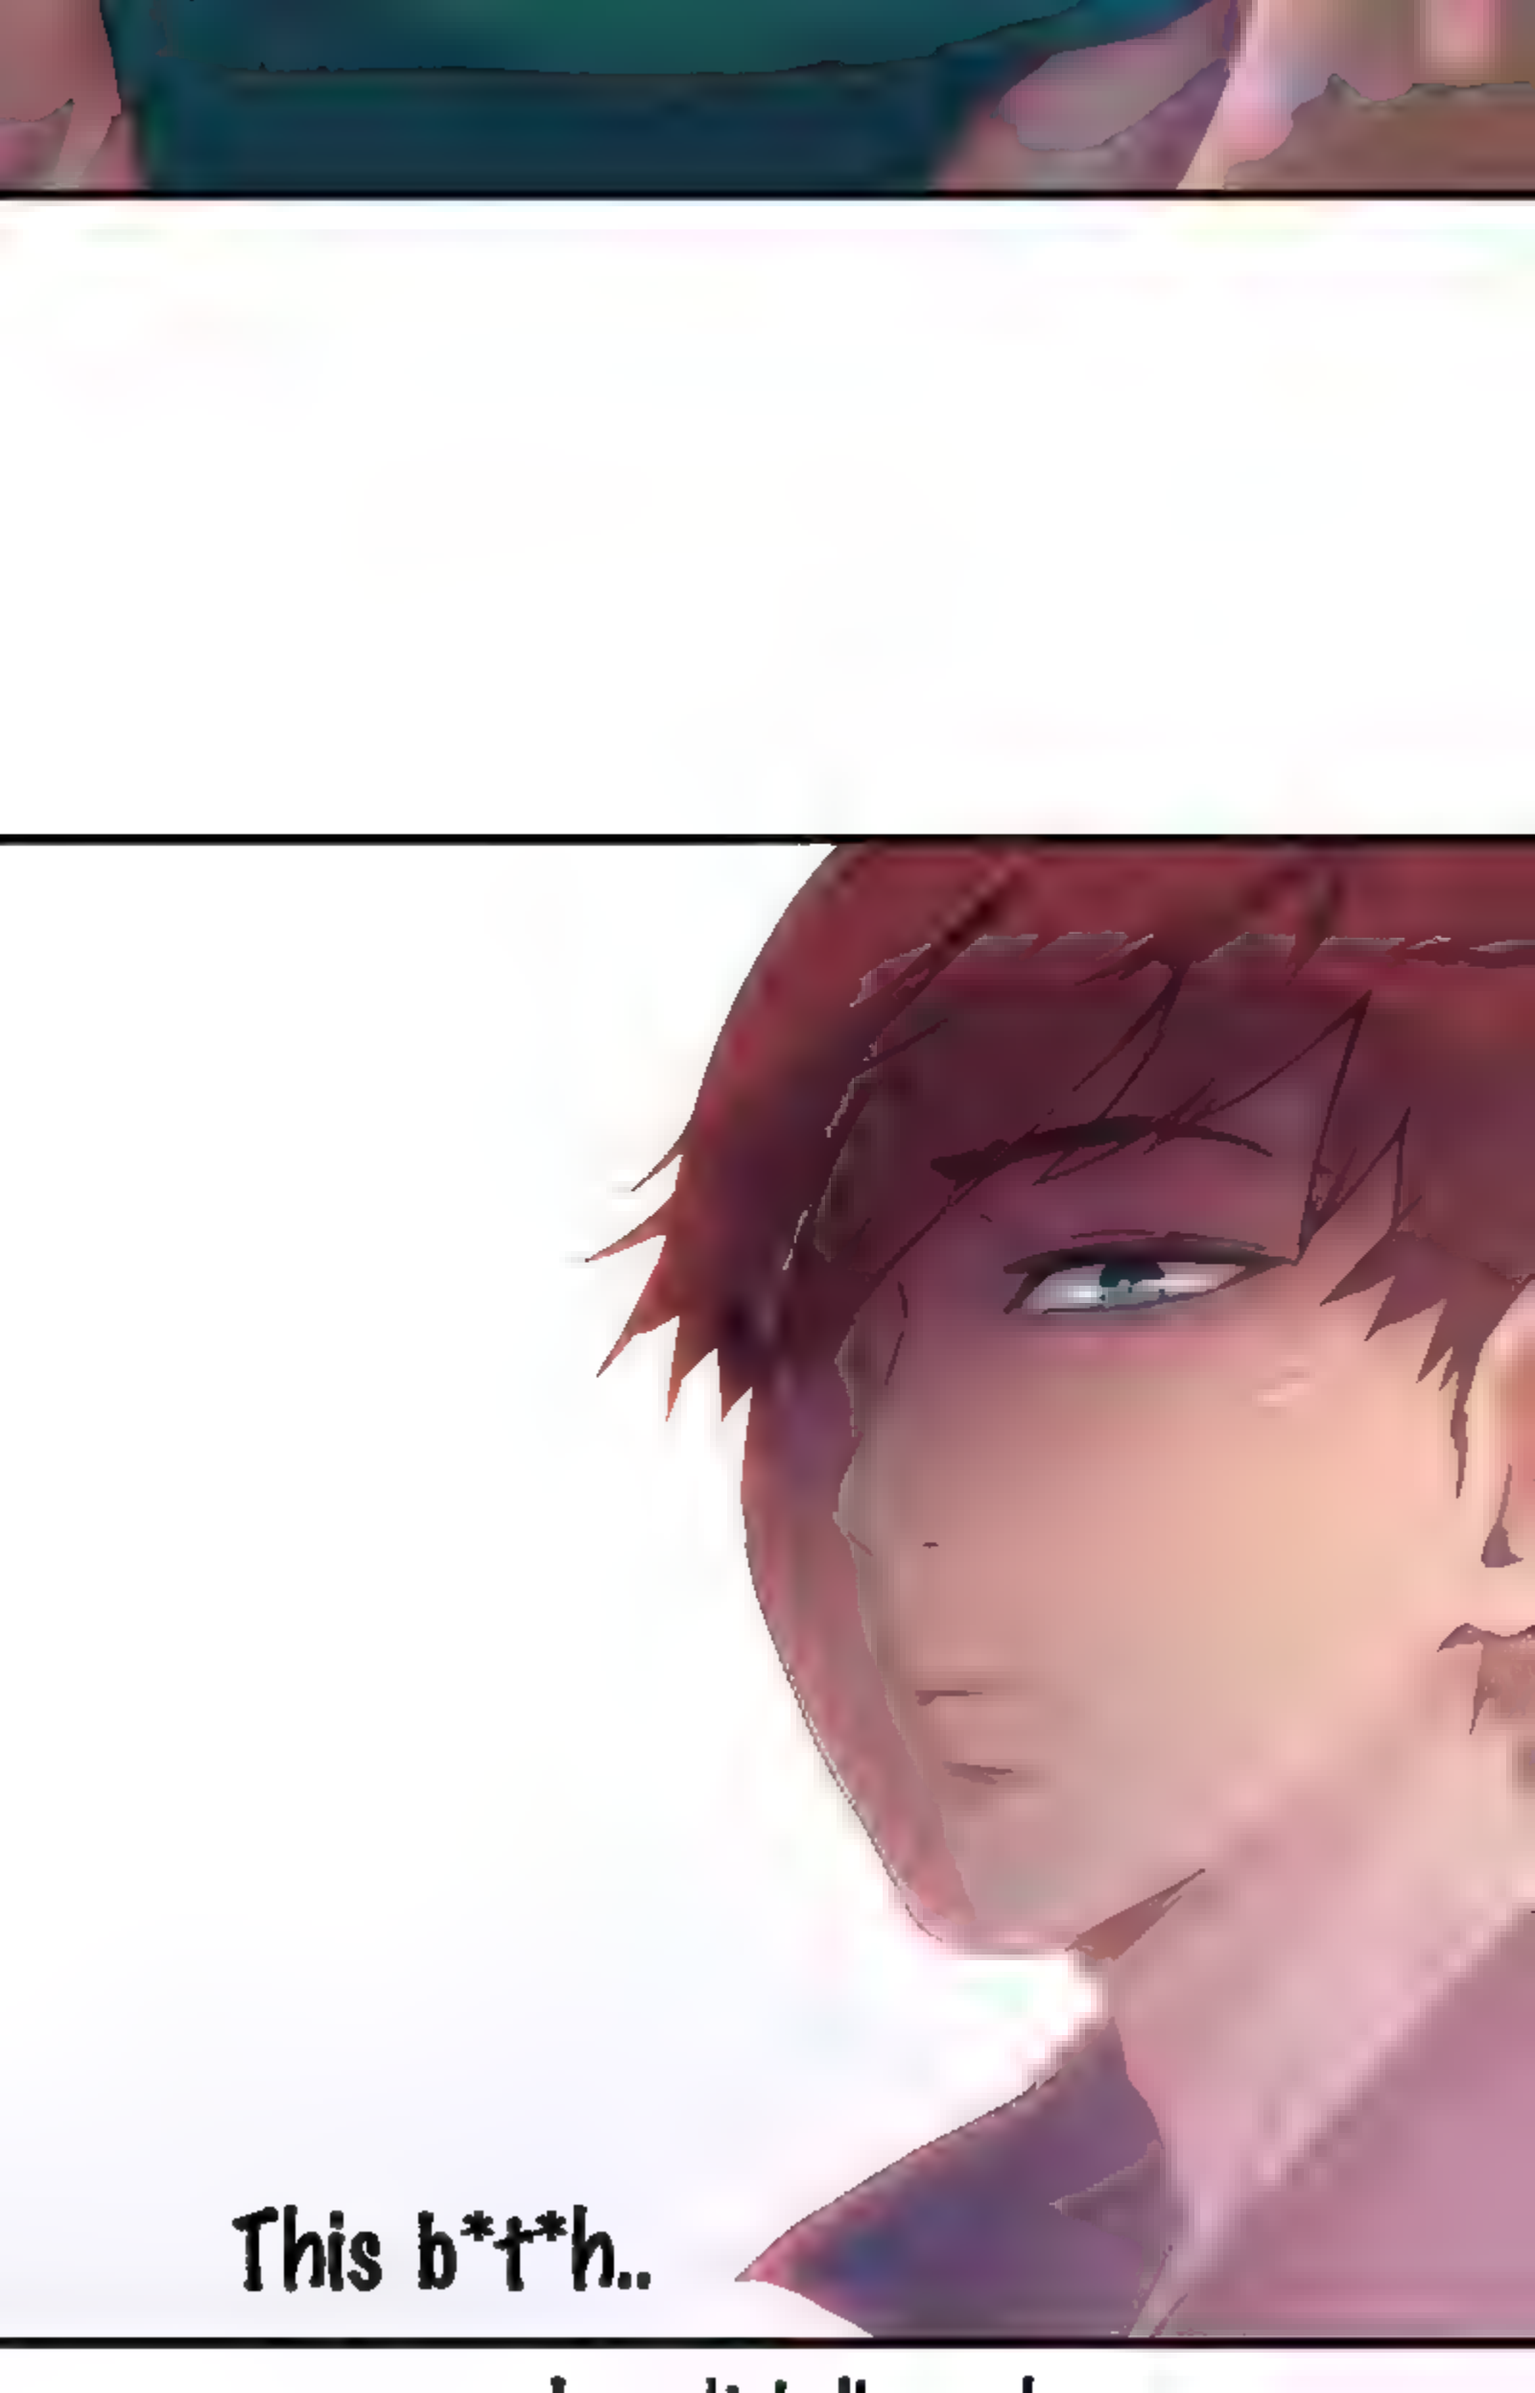






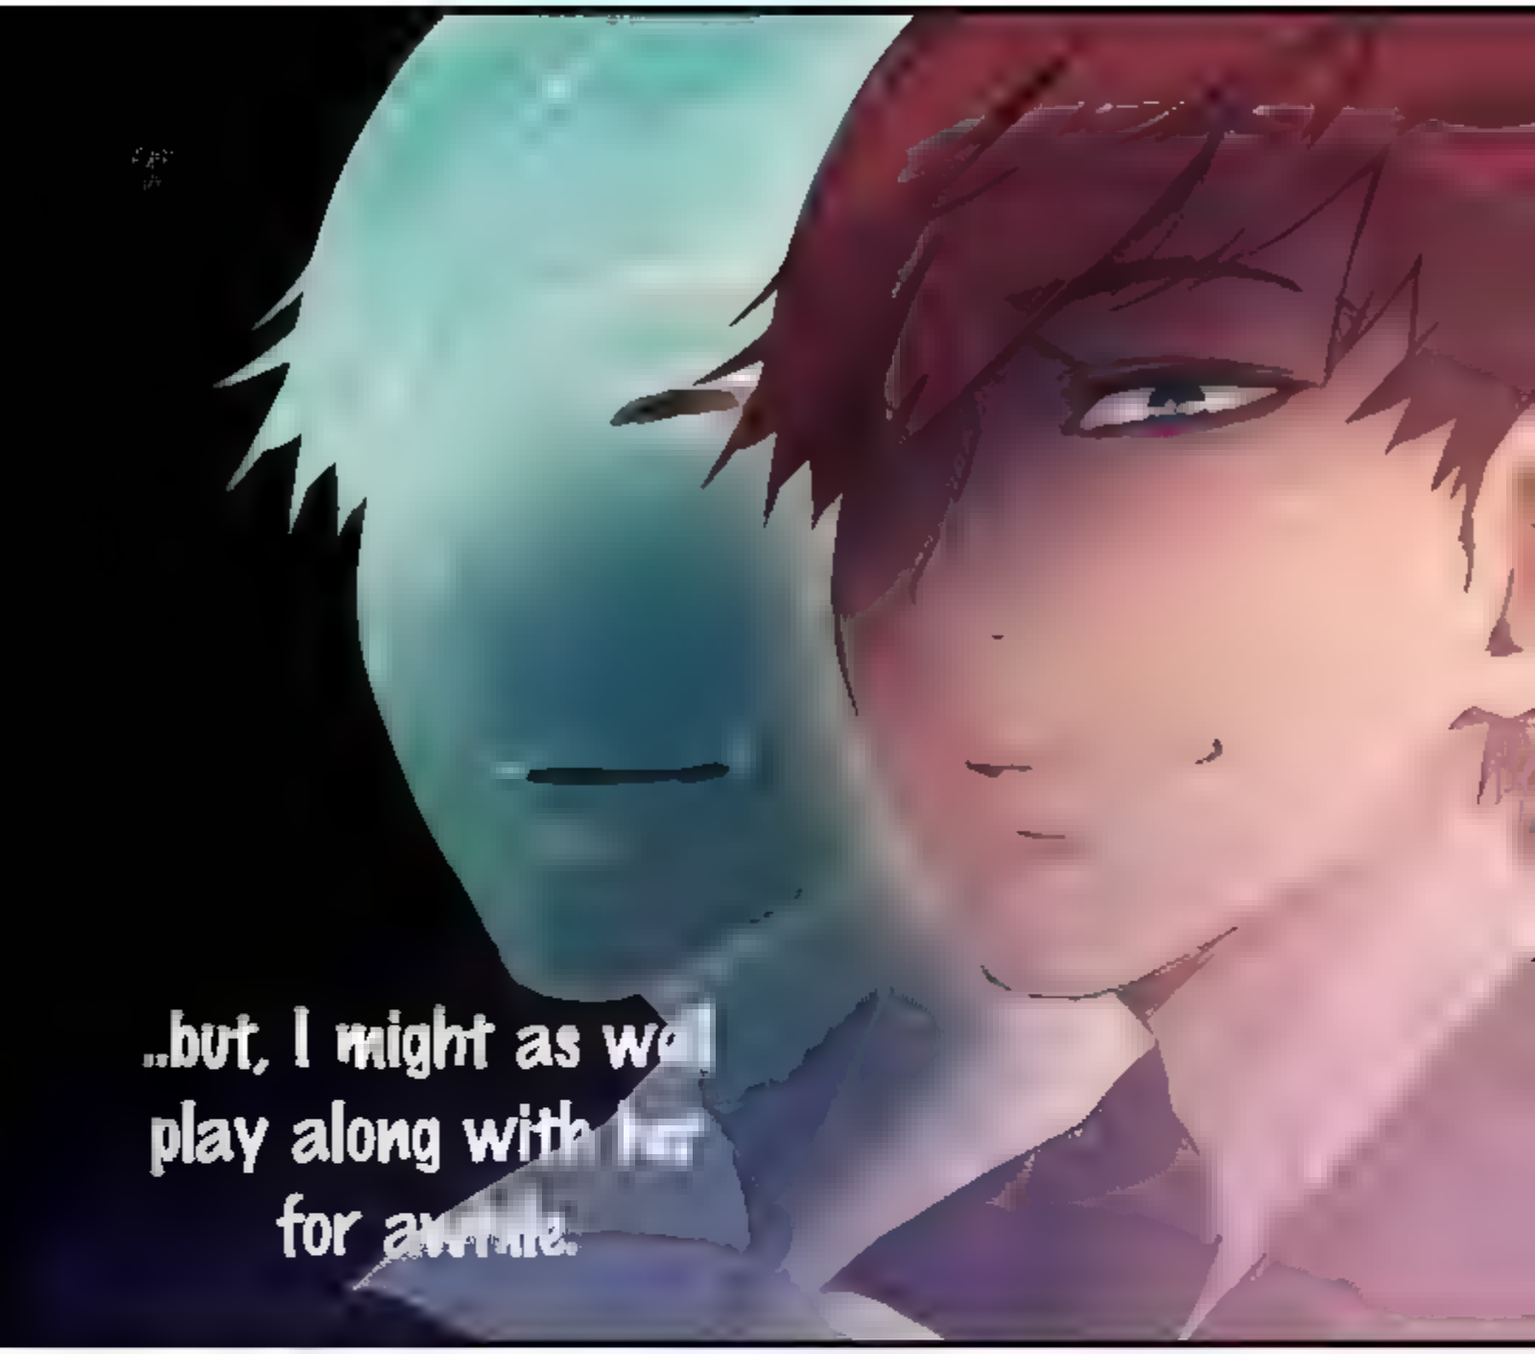
Y-you-!

You will stay!

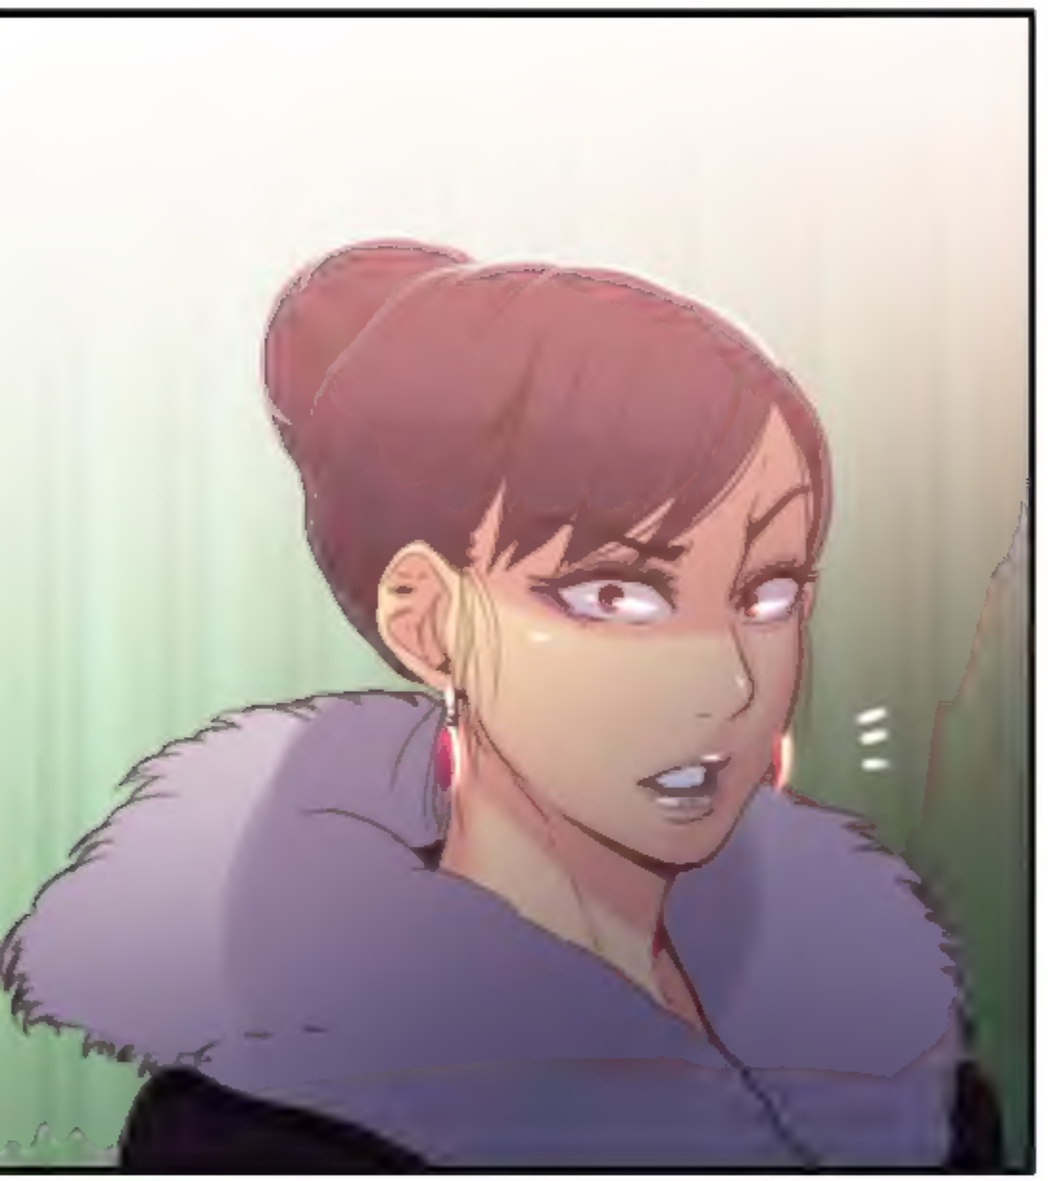


This b*t*h..

I can't believe she was this easy.



..but, I might as wel
play along with h
for awhile.



Then come with me.

To be continued..
